The Coordinating Committee reviewed the following items in the 701-799 series - 1703, 1715, 1720, 1731, 1757 and 1793.

A Review Sub-Committee, assisted by experts and under the Chairmanship of Mr. R. BLIEK (Netherlands), met on the 25th and 27th November.

The Chairman of the Sub-Committee reported to the Committee on the 30th November. At that time the Committee examined the findings of the Sub-Committee and drew the detailed item-by-item conclusions to be found in the following documents: COCOM Docs. Nos. 3717.15/1, 3717.20/1, 3717.31/1 and 3717.57/1.

The Committee further confirmed on that date the agreements reached in plenary session on the 29th October. These are recorded in COCOM Docs. Nos. 3717.03/1 and 3717.93/1.

The table attached hereto shows the categories into which the items under study fell at the close of the first round of discussion.
